

PhD Minor – Health Behavior Health Promotion Curriculum

Effective for those following the 2022/2023 academic curriculum guide

The PhD minor in Health Behavior Health Promotion (HBHP) is designed for individuals from other University of Arizona doctoral degree programs who wish to obtain graduate training in Health Behavior Health Promotion and is administered by the Department of Health Promotion Sciences in the Zuckerman College of Public Health. A total of **12 course units** are required, as well as successful completion of written and oral questions during the PhD Comprehensive exam, and successful defense of the dissertation. Consult the UA catalog and UA schedule of classes for further details and specific course requirements.

PHD MINOR IN HEALTH BEHAVIOR HEALTH PROMOTION

REQUIRED COURSES - (at least 12 units):

Take one course from the following:

HPS 577 Sociocultural & Behavioral Aspects of Public Health (3)

Choose one course on U.S. Minority Health/Health Disparities - (*minimum 3 units*) *

HPS 535 Multicultural Health Beliefs (3)

or HPS 605 Community Based Participatory Action Research to Decrease Health Disparities (3)

* or alternate course with a core focus on a US minority health issue or health disparities with minor faculty advisor approval

Choose two courses on Health Promotion Science related content - (*minimum 6 units*) ¹

¹ All HPS led graduate courses are acceptable. Other public health/health promotion related courses within or outside the College require minor faculty advisor's approval.
